

SAVE THE DATE: INVITATION TO "NOURISHING TOMORROW: WHY INVEST IN FOOD, HEALTH, AND GLOBAL SUSTAINABILITY"

We are excited to extend an exclusive invitation to a high-impact event bringing together influential leaders from business, medicine, and politics to have a pivotal discussion on food, health and global sustainability. This is an opportunity to explore the forces shaping the future of food, health, and global well-being and to connect with the innovators driving this transformation.

EVENT DETAILS:

Date: 28.10.2024

Time: 4:00 pm to 7:30 pm (Apero with innovative superfood)

Location: Advestra AG, Uraniastrasse 11, 8001 Zürich, Switzerland

WHY YOU SHOULD ATTEND:

Exclusive Keynote on Health and Well-Being: Discover powerful strategies to balance body, mind, and soul in a high-demand work environment with **Dr. Sanjeev Kanoria**, a London-based liver transplant surgeon and healthcare entrepreneur. Dr. Kanoria has led multiple successful ventures, including transforming a struggling European bank into a profitable business. Don't miss his expert insights!

Product Showcase: Be the first to discover and taste new food innovations that are poised to disrupt the market, offering unique opportunities for investment and collaboration.

Panel Discussion: Join a dynamic conversation with leading experts from **politics, research, food industry, and financial institutions**. Gain valuable insights into how these sectors are shaping the future of food, health, and sustainability through innovation, policy and investment strategies.

ABOUT US:

VIFFFF Holding AG is a food tech startup at the forefront of innovation, developing sustainable food solutions that empower individuals to live healthier lives while addressing global challenges in nutrition and food systems. Our mission is to transform how we think about food by harnessing the power of technology to make nutrition more accessible, sustainable, and impactful.

We invite you to **save the date** for this exciting event. **RSVP today by replying to the email: office@vif4.com** to reserve your spot and be part of this exclusive conversation about the future of food, health, and well-being.
